WHY NOT TAKE TIME FOR YOURSELF WHILE YOUR CHILDREN ARE IN CLASS?

5:30 Session Topic: *Scripture: the Truth of Our Identity*
Facilitator: L.J. Milone

In this adult faith reflection we will get in touch with our true selves, ourselves as radically grounded in God. Each month we will pray in words, in silence, share our stories in light of the stories of scripture, and read down-to-earth reflections on how the gospel poses the challenge of awakening to our true identity—the self given over to God.

You are welcome to attend just one, two or all sessions. Materials will be provided. For more information, contact L.J. Milone at 301-622-1122

7:00 Session Topic: *Being Disciples of Jesus*
Facilitator: Susan Anderson

How do we respond to the call to be Jesus' disciples today? Each month we will consider our personal response to this question through prayer, reflection and discussion based on Scripture. In particular, we will reflect on the call to be Jesus' disciple and the models of discipleship found in the Gospels.

You are welcome to attend just one, two or all sessions. Materials will be provided. For more information, contact Susan Anderson at 301-592-9439
