➤ *We welcome you at anytime!*

Sunday Catechesis is an opportunity for adult Catholics to deepen and learn more about their faith. The sessions address issues of theology in the context of prayer and conversion to help St John's parishioners deepen their commitment to follow Jesus Christ. The theology, though, is related to daily life and kept at a level that is best understood by all. We attempt to cover all the essential topics and themes of the Catholic faith: from God, Jesus Christ, the Holy Spirit, the Church, the Eucharist, Prayer, Social Justice, Reconciliation, etc.

***'You may call God  
love, you may call  
God goodness. But  
the best name for  
God is compassion.'***

*Meister Eckhart  
14th Century Christian mystic*

*We welcome you to come at anytime.* You do not have to attend these sessions consecutively to receive their intended benefit: a deepening of faith.

For those who want to deepen their knowledge, the catechetical sessions are based on the book, *Believing in Jesus* by Leonard Foley. It is available for purchase on the St. Anthony Messenger Press website:
