Dear St. John the Baptist School Families,

Tuition for St. John the Baptist Catholic School will increase by \$150 next year to meet operating costs including teachers' salaries and health insurance.

Go to the [SJB tuition page](#) to see the 2022-23 SJB tuition scale and the [tuition statement](#) required by Archdiocesan policy.

With this 1.5 percent tuition increase, SJB remains committed to providing excellent, affordable Catholic education to our families. We are aware of the financial sacrifice by our families and the current economic distress as living expenses rise at more than 5 percent.

Thank you for your commitment to Catholic education and to our partnership in the education of your children.

Yours faithfully,

Father Y. David Brault
Pastor
