---

**Starting June 1, the drop-in rate is charged daily. Payment is expected by pickup time. Please bring a \$40 check -- payable to St. John the Baptist.**

**To continue to use SJB's After Care service, payments must be made on time. The invoice and payment schedule will remain posted on the website's After Care page. Invoice and Due Dates are on the [SJB calendar](#).**

**SJB reviewed After Care rates of neighboring Catholic schools and chose a rate in line with the other schools.**

**SJB requires monthly-plan payments in advance so that all school income can be included in the parish's annual financial report to the Archdiocese (the fiscal year ends June 30). This reflects well on the school financially.**
