

Dear Parent,

Your child has been given a list with **20 skills to practice** on IXL this summer. Your child has the freedom to work at his or her own pace, but it is recommended that they practice for **at least 10 minutes each day**.

To get your child started on your home computer, please follow these easy steps:

Log in to IXL: <https://www.ixl.com/signin/sjbss> then enter the child's username and password.

Once logged in, please go to "Profile and Settings" under your child's name and update the email address. The email address can be used to retrieve lost passwords and receive updates about the student's progress.

The progress of a skill can be seen on the main page of each grade level represented by a number in parentheses. Points will be awarded for each skill based on the following progress scale:

100 – 85	5 points
84 – 70	4 points
69 – 50	3 points
49 – 30	2 points
29 – 10	1 point

(20 skills @ 5 points possible = 100 Points possible)

Sincerely,

Martin Lucey
