

May 5, 2020

Dear SJB Families,

St. John the Baptist will follow Maryland schools by continuing distance education for the rest of the school year.

In the next few days, the parish office through TADS will email tuition payment plans for 2020-21. Please submit your tuition agreement in your TADS account by June 5.

Why You Didn't Get Tuition Agreement -- If you don't receive a tuition plan by Friday, May 15, there could be one of a few different reasons:

- enrollment/registration incomplete for 2020-21
- outstanding tuition debt in this school year (2019-20)
- need current parish-verification form if seeking Catholic rate

Who to Contact -- Please contact Kathleen Brown in the parish office (kbrown@sjbssprish.org) if you haven't received a tuition plan by May 15.

Where to Get the Parish Verification Form -- The [parish verification form](#) is posted on the SJB tuition page and can be printed, scanned, and sent to Mrs. Brown or to Mrs. Baugher (georgine.baugher@sjbsilverspring.org) in the school office.

School Textbooks/Materials Exchange -- The school is planning an exchange of school supplies at the end of the year. Those plans will be announced when there is a relaxation of the *Stay at Home* order by Gov. Hogan. While that order is in effect, the school and parish will follow it.

Library Books -- We are asking families to use the drop-off bin on the school's front porch to drop off library books.

Credits for Payments Made -- The school is applying 2020-21 credits for 4th quarter hot lunch and 7th grade field trips.

Tuition Rates for 2020-21 are posted on the [SJB tuition page](#).
