

General Guidance	
Masks	<ul style="list-style-type: none">• Individuals may wear a mask based on preference or risk-level.
Individuals who Test Positive with COVID-19	<ul style="list-style-type: none">• Stay home for 5 days from start of symptoms or date of test, if asymptomatic.• Return on Day 6 if symptoms have improved and no fever for at least 24 hours without medication.• Wear a mask through Day 10.• If unable to wear a mask,<ul style="list-style-type: none">○ Test on Day 5 or later and return Day 6 with a negative test○ Stay home through Day 10
Individuals in Close Contact with Someone with or Suspected COVID-19 but No Symptoms	<ul style="list-style-type: none">• May continue to attend school regardless of vaccination status providing there are no symptoms.• Those who can wear a mask should do so for 10 days.• Testing is recommended 2-5 days after exposure.
Individuals with COVID-19 symptoms	<ul style="list-style-type: none">• Stay home and get tested.• If test is negative, return when symptoms have improved and no fever for at least 24 hours without medication.
Outbreaks	<ul style="list-style-type: none">• Universal contact tracing is no longer recommended but will be implemented during an outbreak.• Outbreaks will require additional mitigation strategies.

Rules and Procedures

Face Coverings

Optional unless required under isolation or quarantine rules.

Handwashing

- Students disinfect or wash hands regularly.

Surface Cleaning

- Disinfectant surface wipes are available in shared rooms.
- Students have wipes for desks in classrooms.

Facility & Operations

Fresh Air

- HVAC air filters are changed every 8 weeks.
- Air purifiers operate in all rooms.

Surface Cleaning

- Classrooms and bathrooms are cleaned professionally nightly.

School-Parent Partnership

Making Up School Work

- Livestreaming during absence is not available.
- Families should communicate with child's teacher about keeping up with assignments.
- The policy on assignments after illness is on page 6 of the [Handbook](#).

Family Cooperation and Communication

- Report Covid-19 cases to the principal right away.
- Keep child home if there are symptoms of illness.
- Send child to school if fever free for 24 hours without fever medication.

School Cooperation and Communication

- School consults with SJB nurse, pediatrician, and Archdiocesan health director on health decisions.
- School consults with pastor, school board, and Archdiocese on program decisions.
- School communicates with affected staff members for their protection and the health and safety of their students.
- School communicates general information, not identities, about positive cases with affected classes.
