

St. John the Baptist

Club SciKidz WINTER 2019 CLASSES

8 Weeks/\$139 on Tuesdays

Time: 3:15pm to 4:15pm

Feb 5, 12, 19, 26, March 5, 12, 19, and 26th

Technology K-3 - NEW! Little Lego Engineers - \$139

Become an engineer and create a forklift, Monster Truck Crane, bulldozers, and dragsters with Lego Wedo! Not only will you get to build these models but also program them to move with a computer. Your little engineer will learn to build and program Legos while learning about gears, axels and motors!

Science 3-5 Newton's Toy Box

Discover and learn about one of the world's most accomplished scientists, Sir Isaac Newton by creating and experimenting with the Laws of Motion. Learn about acceleration, mass, forces and momentum by engaging in races, games and challenges that emphasize the laws of motion that govern everyday tasks and cosmic interactions! Class projects include catapults, cranes, balloon cars and more!
