

SAINT JOHN THE BAPTIST CATHOLIC SCHOOL

Wednesday
April 3, 2019

Dear St. John the Baptist School Families,

We are accepting a small group of 3-year-old children into our preschool program and inviting our current school families to apply to fill the initial openings.

To apply for preschool admission for your 3-year-old child, simply go to our [website](#), select the [application](#) tab and preschool for student grade next year.

Our plan is to accept up to five 3-year-olds for the preschool program for 2019-20 school year. The five 3-year-olds will share the classroom with about fifteen 4-year-olds. We will add a teacher, giving us three teachers for a class of about 20 preschool students.

We will continue with the PreK curriculum including math and reading groups. The instructional level may vary for the 3-year-old group. Our preschool teachers are accustomed to providing leveled instruction to student groups. Nap time may be a little longer for the younger group. In most respects, classroom routines will be the same for the mixed group as they have been for class of 4-year-olds.

We are excited about the growth of our preschool program and the opportunity for SJB families. Our plan is to approach expansion cautiously with attention to the principles that have made preschool a success. Please don't hesitate to contact the school office if you have questions about the program.

Yours faithfully,

Brian Blomquist
Principal
